## SLIMEY THINGS:

Slimey things are an experimental kitsch, sci-fi electronic pop/rock band based in Sydney, Australia. The infamous group known for their hybrid of infectious songs and energetic, upbeat live performances have received much acclaim as one of the most unique acts in Sydney. Infusing sci-fi space sounds and zany

cartoon sound effects, Slimey Things give their listeners an outer-space, movie-like reality as experienced in some 80s music and the B-grade sci-fi films of the 50s.

A tight outfit for over five years, their unearthly sound developed and evolved into an energetic blend of catchy pop, retro-futuristic rock and soundtrack music. During this time, Slimey things have seen their fan base triple as they have taken Sydney audiences by storm.

Unearthed by enigmatic front man, Vocalist/ Guitarist Nick Soole, this sextet of Pseudo-Pop Psychos are accomplished musicians in their own right.

With widespread radio airplay and memorable "seared into your brain" live performances; it seems only a matter of time before the catchy rhythms of Slimey Things cannot be contained and breach Earth's puny defences.

## WHAT THE MEDIA ARE SAYING:

"The Slimey Things are the most consistently entertaining live group I've ever seen, and I've seen them over ten times. Their music is so fantastically warped, but also contains some of the most infectious melodies amidst the madness. Combining pop, surf rock, sci-fi and even 80's electro, their diversity could easily have them playing alongside anyone from Fantomas, to Deerhoof, to Anticon's Why? I'd just love to see what front man Nick Soole can come up with in the studio."

~Andrew Levin's, FBI 94.5FM~

"These guys have it...And the crowds know it. They are one of the best entertainment value acts around."

~Stuart Tabrett, Magic Blue Media~

"The best pop since DEVO blew the world away in '81."

~Damien Reilly, CEO of Blue Pie Productions~

"These guys are from another planet."

~Paul Searle's, Producer~

"The fastest growing band in this country un-be-known to some."

~Jaimie Leonarder, SBS TV~
